

He sits and listens...

And draws cartoons...

Around 25 cartoons about the topics of the day which you can use for ever more...

On your website, in mailers and emails.. wherever you want really.

Some clients film him drawing for immediate projection on the big screen... So no pressure...

Some make them into mini-books to send to the delegates as a reminder of the day.

TESTIMONIALS

“Your talent for capturing... the essence of who we are was awesome.”

“Your involvement... was a great success.”

“Your cartoons... brought warmth, insight and humour to this event.”

“Robert injected so much inspiration... and fun into the Volkswagen team building event...”

“Thanks a lot Rob - you were a pleasure to work with.”
